**Directions to The International
159 Ballville Road, Bolton, Mass.
978-779-6911**

From I-495, **take Exit 27 and follow signs to Bolton Center.**

If you're traveling **northbound** on Interstate 495, you will **take a right** at the end of the ramp.

If you're traveling **southbound**, you will **take a left** at the end of the ramp.

Travel for 1.7 miles through Bolton Center.

Take a left onto Wilder Road, which is a shallow left turn. See photo. At this point you'll see the first **red sign** that points you toward The International. If you miss Wilder Road, the next left (about 1000 feet) onto Sampson Road will take you back to Wilder Road.

Wilder Road will **fork after about a half mile** in a "**K**" intersection. **Bear left** and then **go straight onto Ballville Road**, following the red International sign. See photo.

The **International entrance will be on your right in about a half mile.**

Note: If you have GPS or use an online mapping service, you may be sent via a different route that is one-tenth mile shorter but slightly more confusing. Those directions will have you take a left turn in Bolton Center at the blinking light onto Wattaquodock Hill Road going by the Nashoba Valley Winery as you climb the hill. At the crest of the hill, you will turn right onto Old Bay. Old Bay takes you to Ballville Road.
